ATTENDANCE POLICY:

When a student is absent, the following procedure must be adhered to:

Email the school to let us know that you will be absent; we want to make sure you are alright. It is advisable to have a doctor's note if you require seeing one.

Perfect attendance is an absolute requirement in the industry. Tardiness is considered disruptive & leaving early without the floor Instructor's permission compromises the end of the day for the rest of the class. Students with more than 3 days absent without a doctor's note or with 4 occasions of tardiness will not be eligible to pursue the Co-op Program. Students with more than 7 days late/absent (10% of the course) may be eligible for the final exams (at the instructors' discretion) but will not receive the Academy's diploma therefore will not be allowed to continue onto the next term. It may be deemed that a student's tardiness/lack of attendance is disruptive to the class as a whole and after 7 days, they may be asked to leave. Students should miss as little time as possible due to the intensive workload. Students with either 3 days absent or 5 days late will not be eligible to go on observations.

The Academy & its faculty demand all students maintain a professional standard of attitude and follow appropriate food handling guidelines. Potential employment & the Co-op Placement program are based as much on this professional attitude as on an ability to cook or bake.
